

15 May 2013

We are proud to announce that we are now the new authorized distributor for BIOMATIK.

Since 2002, Biomatik has provided worldwide researchers with superior quality and exceptional service. They have strived to be the world's leading supplier of life science products and custom services by offering industry-leading innovation, quality and customer-satisfaction.

Biomatik offers a broad range of bio-reagents and catalog products for life science research use. Most of their bio-reagents are in stock - in fact, over 98% of our bio-reagent orders are filled from stock, so you can expect the shortest turn-around time possible.

Biomatik also provides a comprehensive portfolio of custom services that include custom oligo, gene, peptide, protein and antibody services.

Bio-Reagents:

- Biochemicals & Enzymes
- PCR, qPCR & RT-PCR
- Molecular Weight Markers
- Culture Media and Amino Acids
- Tag Antibodies

Catalog Products:

- ELISA Kits
- Kinase Inhibitors
- Glyco Products
- Catalog Peptides
- Recombinant Proteins
- Catalog Antibodies

Custom Services:

- Custom Oligo Synthesis
- Custom Gene Synthesis
- Custom Peptide Synthesis
- Protein Expression and Purification
- Custom Antibody Production

County of Origin: Canada

Product Range: bio-reagents, custom services
