

18 April 2013

We are proud to announce that we are now the new authorized distributor for Biologix.

We are proud to announce that we are now the new authorized distributor of Biologix, the leading manufacturer and supplier of plastic laboratory consumables. For over 12 years, Biologix has been committed to the design and manufacturer of high quality scientific supplies. Their products include centrifuge tubes, PCR tubes, petri dishes, pipette tips, cell scrapers and much, much more. Most products are certified, sterile, DNase and RNase free and non-pyrogenic by using the highest quality American plastic materials.

Country of Origin: USA with production facility in China

Product Range: cell culture ware, microcentrifuge tubes, racks, boxes, gloves, histology / pathology consumables, liquid handling consumables (pipettes, pasteur pipettes)

Please feel free to contact us at 2798-3772 or info@xbiolab.com for more information.
