

**20 April 2013**

***We are proud to announce that we are now the new authorized distributor for WHB Labware.***

The logo for WHB Labware features the text "WHB LABWARE" in a bold, blue, sans-serif font. The letters are outlined with a lighter blue color, giving the logo a three-dimensional, blocky appearance.

Shanghai Winhong Biology Technology Co., Ltd. (WHB) is a professional developer, manufacturer and global supplier of disposable plastic labware. WHB offers a wide range of good quality plastic labware products at reasonable prices. Their products are now extensively used in biology labs, science academy and medical / agricultural institutions.

Country of Origin: China

Product Range: tissue culture multi-well plates, ELISA plates, microcentrifuges, liquid handling plasticware
